Gregory J. Baran, R.Ph. M.A.
Director of Governmental Affairs

I have served for seven years at my current position with the Michigan Pharmacists Association. In this position, I am actively engaged in representing pharmacists in the legislative and regulatory process. I have served on various legislative workgroups, helped to develop legislation and participated on Department of Community Health, Board of Pharmacy administrative rules revision committees.

I currently hold adjunct faculty positions at Ferris State University and the University of Michigan colleges of pharmacy and I routinely lecture at both colleges on pharmacy law.

Prior to my current position, I was the Manager of Pharmacy Operations at Spectrum Health, Blodgett Campus in Grand Rapids.
