

Richard S. Frank, MD, MHSA is the Market Medical Director for Michigan and the Clinical Lead for the Anesthesia Line of Service, UnitedHealthcare. At UnitedHealthcare, a diversified health and well-being company, he leads quality and affordability efforts for the market in Michigan as well as for anesthesia services nationally. From 1998 to 2007, he was Chief of Anesthesia and Director of Medical Affairs at Straith Hospital, an acute care specialty facility in southeastern Michigan. He is an Advisory Board Member of American Physicians Capital, a medical liability company as well as a member of the Board of Directors for Physicians Credentialing Verification Services, a subsidiary of the Michigan State Medical Society. He is also a former President of the Oakland County Medical Society. Frank received his Medical degree and Masters degree in Health Services Administration from the University of Michigan. He completed a residency in anesthesia at the University of Washington, a fellowship in cardiovascular anesthesia at Stanford, and has authored a number of peer-reviewed journal articles.
