

Cassandra R. Saunders
Legislation Program Manager
Integrated Health Care and Disability, Chrysler LLC

Cassandra R. Saunders has been the Legislation Program Manager – Integrated Health Care and Disability for Chrysler since August 1, 2006. In this position, she manages key federal and state legislation and recommends strategy for health care policy.

Chrysler LLC provides health care coverage to 350,000 people and spends \$2.5 billion per year for health care, disability and other insurance benefits.

Previously, she was Senior Staff Advisor – Compensation and Organization Planning. In that position, she administered the Management Bonus Program and provided compensation and organization support services for the Global Sales, Marketing & Service organization.

Her work and academic background and professional credentials include:

- Legislation Program Manager, Integrated Health Care & Disability – August 2006
- Senior Staff Advisor, Compensation and Organization Planning – November 2004
- Manager, Benefits, Compensation, and Payroll, New Venture Gear, Inc. – May 1995
- Employee Benefits Paralegal, Dykema Gossett – May 1989
- Account Administrator, Retirement Services Corporation – May 1987
- Master of Science in Management, Boston University, June 2008
- Certified Employee Benefits Specialist (CEBS), Wharton School of the University of Pennsylvania and the International Foundation of Employee Benefit Plans, December 1998
- Qualified Pension Administrator, American Society of Pension Actuaries, June 1988
- Certificate of Graduation, The Institute for Employee Benefits Training, May 1987
- Bachelor of Arts, Stockton State College, May 1985

Ms. Saunders currently serves as an Interim Governance Committee member for the Southeast Michigan Health Information Exchange. She also serves as Co-Chair for the Functional Design Workgroup and is a member of the Governance Workgroup.

Ms. Saunders is a member of the Strategic Planning Committee for GDAHC's Save Lives Save Dollars initiative. She is a member and serves on the Strategic Planning Committee of the Michigan Primary Care Consortium and is a member of the Health Staff Group of the Economic Alliance for Michigan. Recently, Ms. Saunders represented the Economic Alliance for Michigan as a Standard Advisory Committee member for the Certificate of Need Commission.
